

Caythorpe Chronicle

The weekly news from Caythorpe Primary School

Friday 16 June 2017

KS1 Football

Children from Neverland Class thoroughly enjoyed the recent KS1 Football Outreach festival! They developed their passing skills, made some cracking saves and scored some fantastic goals! Great fun was had by all!

School Games Day & Race for Life

Mr O'Mahoney and Mrs Cooke are organising a **School Games Day** on **Friday 23rd June**. This will include a wide variety of sporting activities including cricket, unihoc, multiskills & dodgeball. Y5 and Y6 activities will hopefully take place at Caythorpe Sports Club. However the rest of the activities will all be in school.

As part of the day, the whole school will earn a shiny medal for completing the 'Race For Life'. This is a great opportunity to be active and raise some money for Cancer Research UK. Children can either bring a £1 donation to take part or collect as many sponsors as they wish on the sponsor form provided. Please could all sponsorship forms and money be returned to school by Friday 30th June so that we have time to send it off before we break up for summer.

Children can wear their School PE kit all day and please remember to send them with a water bottle, sun cream and a hat.

FSA Summer Party

The FSA are busy arranging a 'Summer Party' to celebrate the end of another fantastic year at Caythorpe Primary School. The details are as follows:

Saturday 15th July 2017 4pm - 7pm

£4 per Adult £3 per Child

Ticket prices include a BBQ, Bouncy Castle & Games.

Water Bottles & Sun Cream

As the weather improves it is essential that children are protected against the sun and are well hydrated. As such can Parents/Carers please ensure that children have a water bottle in school every day. **This must be water and not squash.**

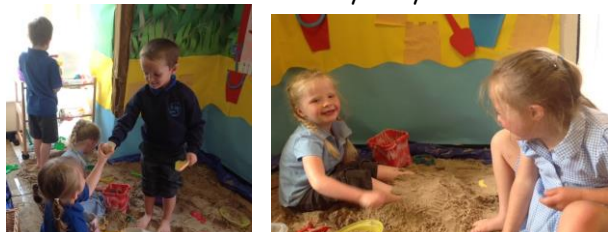

If children are able to apply their own sun cream then they should bring it in a bottle labelled with their name. This will then be stored in school by the class teacher who will allow application prior to periods of time spent outside. If you chose to apply sun cream prior to school then please ensure that you check that the sun cream states that it will last for the whole day. All sun cream should be at least factor 30.

Term 6

WOW what a fantastic year we have had so far and we still have lots of amazing activities planned for the children in the last term of this academic year.

Enchanted Forest

We are learning about the seaside! We have created some lovely sea creature paintings and talked about what you might find under the sea. We have loved exploring our very own beach, where we have built sandcastles and ordered some yummy ice-creams!

Neverland

Our topic in Neverland Class this term is the seaside. We will be learning about the geographical features of the seaside and what seaside holidays were like in the past. In art we will be making seaside collages using different materials. We are looking forward to our trip to Skegness Aquarium where we are hoping to find out lots of information about sea creatures and their habitats.

Y2 Maths

The Y2's have been making potions to support their understanding of capacity. They had great fun!

Emerald City and Narnia

This term we are being "Superheroes" ourselves by saving the planet. We shall be looking at how the local environment has been changed and the impact these changes have made on living things. We shall also be investigating the effects of climate change on the environment. In English we are becoming adventure story writers, investigating the features of these types of stories. We will be writing about the adventures of "Traction Man". We have already started improving our cricket skills with Gary, a professional coach from Lincolnshire Cricket Club. Year 3 and 4 are also working with Mrs Moira Cree from Caythorpe Cricket club. In art we are looking at landscape paintings by a range of artists and developing skills to create our own using mixed media.

Hogwarts

Year 6's topic this term has been Africa. As part of our Art and Design lessons we spent time designing and making our own mud huts. We used clay for the base of the house and used thatch for the roofs. We linked this to our work on Nelson Mandela as he lived in a hut very similar to ours during his early life.

Diary Dates

Tuesday 20th June
Friday 23rd June

Monday 26th June
Thursday 29th June

Friday 7th July
Tuesday 11th July
Wednesday 19th July

Sports Day - 9:15am
Sports Day Reserve Date - 9:15am
Y6 Leavers Assembly - 9:15am
Whole School Picnic followed by Class Stalls
End of Term 6

Whole School Picnic

Wednesday 19th July - 12:30pm

We would like to invite all parents to come into school on the last day of term at 12:30pm to share a picnic with their children on the school field.

Following the picnic, each class will be running a stall of their choice therefore children need to remain in school to help with this. More details to follow about stall arrangements.
