8 October 2020

Dear Staff, Parents, Carers & Children,

I am writing to inform you that Katie Brockington has been successful in her application to be the headteacher at Linchfield School and will be leaving Caythorpe Primary School. I thought it right that this was conveyed to you as soon as possible and try and dispel any fears or worries you may have.

Linchfield School is also part of the Community Inclusive Trust and as such I have been reassured that all endeavours will be made to appoint a new headteacher in a timely manner so that there is a smooth transition. We will write again to inform you about timings once an appointment has been made.

When Katie first joined us, we were in a period of change and we needed clear and effective leadership. Katie and her team have worked tirelessly since that time to make Caythorpe a school we are very proud of. The quality of education at the school has gone from strength to strength and the wellbeing of the children has always been at the heart of each of Katie's decisions.

Obviously some of you will be worried about this, it is a sad loss for Caythorpe. Katie has made remarkable changes and renewed the school's vision and values. Fortunately, we will have the benefit of Katie setting the foundations for a smooth transition as we seek to appoint a Headteacher who can develop the school yet further with the full support of the Trust as they settle in.

Thank you in advance for your support during this time we will keep you as up to date as possible during the proceedings.

Yours sincerely

Simon Linforth  
Chair of Governors
