

Caythorpe Easter Chronicle

The weekly news from Caythorpe Primary School

Wednesday 31st March 2021

The spring has finally sprung, if only for a couple of days at a time.

I'd like to express my thanks to you all for helping to settle the children back into the routine of school. I think they are certainly ready for a break, they have worked so hard. The staff too have gone above and beyond to ensure everyone is safe and reassured in the daily routines and understand the rules we need to follow.

All class rooms have well-being as a high priority. Every morning the children have an opportunity to check in with staff how they are feeling.

Hogwarts have a gratitude tree. The children have added what they feel thankful for.

Caythorpe Cricket Club

Caythorpe Cricket Club have a thriving Junior section, where they encourage children of all ability to exercise and to develop the concept of teamwork and fair play.

Under 9 play softball, using plastic bats, and Under 10 and Under 11 play hardball with helmets and pads. Caythorpe also offer the ECB All Stars programme for 5 to eight year-olds.

The training takes place at Caythorpe Playing Field on Friday evenings from 6:15 pm. They welcome both boys and girls; girls are allowed to play in the age group two years down, so all girls up to Y6 can play as under 9s. All equipment can be provided by the club. This year their first training session is on 16th April.

Caythorpe CC have been awarded Clubmark status: they have qualified coaches at all levels and DBS clearance for all volunteers.

We hope the sun shines for the FSA Easter Egg Hunt! Have a fabulous Easter Break and we look forward to welcoming the children back on **Monday 19 April** fully refreshed and ready for the Summer Term.

Thank you for your continued support.

Kind regards

Helen Hunt

KS1/EYFS Adventure Event

Last Friday four girls from Enchanted Forest took part in the Virtual CGS Outreach Adventure event.

The activities focussed on problem solving, skipping running, jumping, hopping, balancing, tiptoe walking. The girls said, "It was so much fun."

They loved having to collect items to create their boat.

During the pandemic, children have possibly used technology more than previously, and for parents this can be a worry as children get older. The Lincolshire Safeguarding Children Partnership have informative videos for parents about online safety. Their YouTube channel is <https://www.youtube.com/channel/UCxMnZ02Sl1AbtIhq-m3rrVQ>
