At Caythorpe School we aim to:

- To teach a fun and enriched curriculum within stimulating and exciting environments, packed full of inspiring experiences and opportunities.
- To encourage enthusiasm and enjoyment whilst being active and making healthy lifestyle choices; creating lifelong positive attitudes towards sport, exercise and being outdoors.
- To create opportunities for children to explore beliefs; respect faiths, feelings and values; enjoy learning about oneself, others and the surrounding world.
- To recognise, understand and engage the laws, morals and traditions that underpin the British values
- To develop well-mannered children who understand right from wrong and can make positive choices to become
- To be fully involved with all aspects of local life and mutually supported by the community.
- To provide a supportive environment which ensures staff are: happy, motivated, confident, dedicated, valued and want to achieve the highest possible standards for the children.
