NatWest Money Sense Workshops

Mr O'Mahoney invited some NatWest bank volunteers into school this week to run their Money Sense Workshops, to help our children to make sense of money by focusing on real-life financial situations! The workshops were great and the goody bags were a real treat!

KS1 explored the difference between 'needs' and 'wants', ways in which families spend money and our choices around how to use money. They had great fun working out the things that their chosen pet would actually 'need' and what it might 'want'!

KS2 enjoyed costing out a reasonably priced birthday party and presenting their findings to the rest of the class. They looked at ways to save and pay for different aspects of the party and considered ways to reduce costs.

School Uniform Orders

If you would like to order any school uniform for September, **please complete and return the uniform order form by Friday 22nd June** so that we can ensure that it can be ordered and delivered before we break up for the summer holidays.

Caythorpe Gala - Saturday 1st September 2018

Caythorpe Playing Field, Old Lincoln Road, Caythorpe

1.00pm - 4.30pm

Please support the village by attending this great family event and enjoy the following attractions:

Year 6

Our Year 6 children worked their socks off for the SAT's and we are extremely proud of the hard work that they put in. They are now looking forward to enjoying their last half term together and have decided to do an end of year play instead of a class assembly! Please see the diary dates below to find out what is happening when!

Residential Trip to Aylmerton

As we are now making the final arrangements for our Residential Trip to Aylmerton, please ensure that you have completed and returned your child's Emergency Contact Forms and that you have paid for the trip in full.

Early Years and Childcare Support Service

Early Years and Childcare Support Service are an award winning and nationally recognised service offering a wide range of skills, expertise and experience across the early years' sector. They have a duty, as far as is reasonably practicable, to ensure there is sufficient availability of childcare for the children of working parents (aged 0-14 years, or up to 18 years for disabled children). The duty includes parents who are studying or training for employment.

Throughout the year they strive to do whatever they can to support local childcare providers to offer childcare services parents need and want. Part of this work includes an annual assessment report of the sufficiency of childcare. An online survey has been launched that asks if parents and children are using childcare, and if they do, what they think about it. The findings of the survey will support them to plan services, and to work with childcare providers to support the childcare needs of working parents, and parents studying or training for work.

The survey is open from Monday 4th June until 30th July 2018. You can find the survey here:
