On Tuesday 3rd July, Hogwarts will be running a 'Battle of the Bands' event for Y2 - Y6 to take part in on Times Tables Rockstars. This will be done in their house teams and they will be taken out of lessons in small groups to compete for 5-10 minutes to register a score for their team. As times tables is a whole school focus, we think this will be a great opportunity to encourage children to keep practising their times tables at home. We would ask for an **entry fee of £1** to compete in the event. The prizes given will be for fastest speed, most improved, fastest team average.

Y6 are also excited to organise a **cake sale** for the end of the day too! All donations gratefully received!

Birth & Babies

Y6 were extremely lucky this week to have a visit from Mrs Budden and Baby Lottie to talk to them about birth and babies. It was an extremely interesting and informative session! Huge thanks to you both!

New EYFS Equipment Is On Its Way

We have been seeking funding to replenish resources in our EYFS class and now, thanks to the Rotary Grantham Swimarathon, we can get buying! Lots of our equipment has dwindled and is worn and broken; no longer having the desired effect on the children's learning. I was invited along to this year's Swimarathon Presentation held at St Wulfram's Church on Tuesday (19th) and was thrilled when Caythorpe's name was called out: to receive some funding!

We are very grateful to the Rotary Grantham Swimarathon. Learning through play is extremely important in the development of Early Years Children, helping them to learn about sharing, communication and different careers. It also provides children with an opportunity to build their confidence and self-esteem as they play with their peers. We are hoping to take delivery of the new items within the next few weeks. How exciting!
