Whole School Trip

We had a fabulous day on our whole school trip to Anderby Creek on Monday. It was great fun and the children's behaviour was impeccable.

Whole School Topic - Dinosaurs

During the first two weeks back at school we have decided to engage in a whole school project about dinosaurs. Children will have the opportunity to share dinosaur stories and poems, research facts about dinosaurs and we have booked a dinosaur workshop to come into school so the children can explore and find out lots of dinosaur facts. If you have any dinosaur resources at home, please send them in with your child during the first week back. Also if you feel creative in the holidays, you could create a dinosaur picture or find out and record some dinosaur facts in an interesting way!

Swimming in September

Year 3 & Year 4 children will be going swimming in the Autumn Term. Their first lesson will be **Wednesday 12th September**. More details to follow as soon as we get back to school.
