Restart A Heart Campaign

LIVES are coming into school on Tuesday 16th October to run a project known as 'Restart a heart day'. This is a Europe-wide initiative developed to teach members of the public how to help restart the heart of someone who has suffered a cardiac arrest. LIVES recognises the need to ensure the welfare and safety of all young people taking part in their organised activities and they will all be age appropriate. The training is totally free and delivered by volunteers but if you would like to send in a voluntary donation to LIVES then you are more than welcome to do so.

Lunettes Opticians - Vision Aid Overseas Appeal

Lunettes Opticians are appealing for local schools to help Vision Aid Overseas, an International charity which helps over 13 million children and adults who desperately need good eyesight in order to gain valuable education, which in turn helps in the fight against poverty. All you need to do is drop any unwanted glasses into the collection box near the school office. **1 in 10 people in Africa can't see properly simply because they need glasses.**

PLEASE DONATE YOUR UNWANTED GLASSES
