Foodbank Visit

On Monday a group of KS2 children visited Grantham Foodbank to deliver our harvest donations and to find out from Brian, the Project Co-ordinator, about the running of the Foodbank and have a look around. The visit was a real 'eye opener' and we could not believe how many local people they help everyday who have reached crisis point. The children then presented interesting facts and stories from their visit to the rest of the school in assembly.

Reception Parents Meeting

Mrs Hiley would like to invite all Reception parents into school on **Thursday 22nd November** at 2:45pm to share a range of ideas on how to support your child throughout EYFS. We look forward to seeing you there.

PARENT MEETING

Winter Is On Its Way!

As a school, we like to get the children outside as much as possible at break times and for various learning opportunities. As you know, our British weather can be extremely unpredictable, so please can you ensure that your child has a coat in school at all times. Thank you for your support.

Applying for a place in Reception (2019)

Children born between 1 September 2014 & 31 August 2015 are due to start Reception in September 2019.

The window for applying for a place in Reception 2019 opened on 14th November. If your child is 4 this school year (Sept 18 to Aug 19) then you can apply for a place via the online application system on the Lincolnshire County Council website at www.lincolnshire.gov.uk/schooladmissions. Telephone support from the Education Team is also available on 01522 782030.

If you would like to come for a visit or know anybody who does then please make an appointment at the school office.

Times Table Rockstars

As a school, we are using Times Tables Rockstars to support the children in learning their times tables. All pupils should know their times tables by the end of Year 4 and in 2020 an online national times table test is being implemented. KS2 children already have their own username and password so that they can access the website at home and Year 2 should have received theirs today. If you have any problems logging in, please do not hesitate to contact a member of staff who will be able to help you. Any extra practice at home will be really beneficial to your child.
