Congratulations from MP for impressive SATs Results

We recently received a special letter of praise from Dr Caroline Johnson, MP for Sleaford and North Hykeham, congratulating us on our excellent SATs results in 2018.

The school has improved in all areas of their SATs results as combined scores progressed from 54% to 72% of pupils reaching the expected standard in reading, writing and Maths.

We are extremely proud of the effort and achievement of all of our staff and pupils at Caythorpe Primary School. Success has been achieved through the provision of memorable first-hand learning experiences, targeted interventions and sheer hard work.

This latest commendation from Dr Caroline Johnson underpins the hard work that takes place on a daily basis at Caythorpe Primary School. An extract from the letter reads:

'I wanted to write to congratulate you on your school's excellent increase in the proportion of pupils achieving the expected standard in reading, writing and mathematics.

I would be grateful if you could pass my thanks on to your teaching staff, as it is their hard work and dedication that enables the children to learn and achieve to a high standard.'

Chess Club

Nathan and Theo have done a fantastic job of setting up lunchtime Chess Club which started this week. It is really popular and extremely well organised. Well done boys!

Enchanted Forest build their own Balanceability Bikes

EYFS pupils are looking forward to improved weather so they can get out on the new bikes they built ready for Balanceability. They were joined by volunteer Mr Brockington who used his expertise to help put the bikes together. Balanceability is becoming popular in schools across the country and is a new way of introducing children to cycling without having to use pedals or stabilisers. The objective is to develop dynamic balance skills and confidence before children are ready to use a more traditional bike. Mrs Locke has been trained to deliver the Balanceability sessions and is looking forward to beginning the programme.

Y6 Presentation to PB

Year 6 enjoyed a visit from Mr Bell (Chief Executive Officer of CIT) this week. They presented their arguments for and against having a school uniform. Their letters were well written and they delivered excellent PowerPoint Presentations, which were clear and concise with some great persuasive language.

Teaching Students

We have two Teaching Students, Miss Dakin and Mr Franklin, from Bishop Grosseteste University currently working alongside the teachers in Neverland and Narnia.

FamilyLine

Family Action's FamilyLine service has launched and is excited to be offering free support and guidance on all aspects of family life to parents and carers across England and Wales.

The FamilyLine service provides Helpline, Befriending and Counselling support via telephone, email and text message. The service is free and available 6pm - 10pm on weekdays and 10am - 1pm on weekends.

Please contact us to learn more about the support we have to offer.
