Minibeast Topic Comes Alive

Pupils in Enchanted Forest have their own Minibeast Investigation Lab, full of insects and small creatures for them to investigate. The pupils are then encouraged to take the role of scientists, recording what they can see and answering questions.

Yet the science really comes to life with the caterpillars that have just arrived in the classroom. The children aged between four and six will be able to watch their guests grow and develop into butterflies before releasing them outside.

One pupil explained: "I really like looking at the minibeasts and counting how many legs they have. We also do other things like making pretend playdoh houses for the insects and reading *The Hungry Caterpillar*."

This week Enchanted Forest and Neverland were visited by some creepy-crawlies! They saw a variety of minibeasts such as cockroaches, crickets, worms and spiders. They learned lots of interesting facts and even got to hold some of the minibeasts!

Walk to School Week - 20th - 24th May 2018

Walk to School Week is a country-wide celebration of walking. Let's get active together and walk to school every day next week. If you don't live in Caythorpe and it is too far to walk from your house, maybe you could park a short distance away from school and walk from there.

Y6 SATs

We are extremely proud of our Y6 children. They have worked really hard all year and this week they have put every effort in to complete and do their very best in the SATs papers. As a reward for their perseverance and focus they enjoyed a chilled out Friday afternoon watching a film and tucking into pizza, followed by a game of rounders!

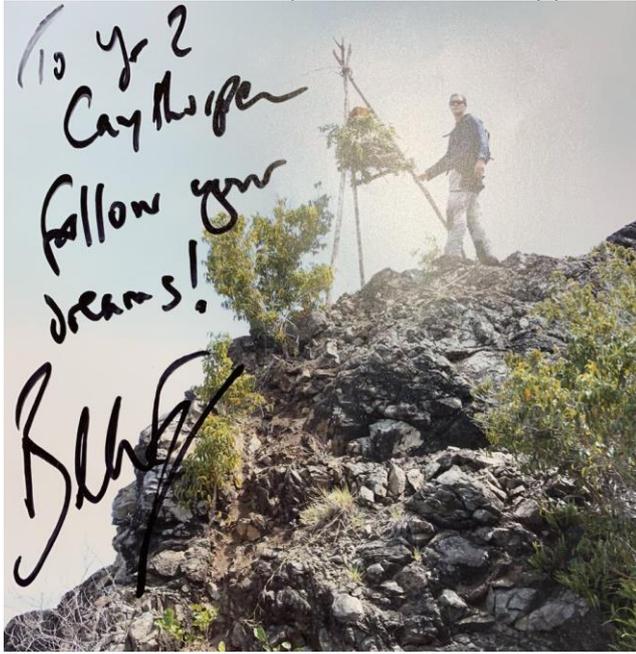

Good to be Different Day - Friday 24th May

As a school we celebrate **DIFFERENCE**. Come to school wearing **odd socks/shoes, brightly coloured clothes** and **crazy hair** to help us raise awareness that it is good to be different!

Bear Grylls Reply

Last term, Neverland wrote some letters to Bear Grylls and this week the class were very excited to receive a reply!

Caythorpe High Street Parking

The Parish Council met recently and once again on the agenda was the subject of Parking on the High Street. Thankfully the Parish Council have engaged with Lincolnshire County Council, which has resulted in getting a parking hard-standing area provided for the village behind the school on Back Lane.

Please could all parents who drive to school make the most of this new drop off and collection point to help ease congestion on the High Street at the front of the school.

If the congestion cannot be eased the County Council are planning to put yellow no parking lines along this part of the High Street which we obviously wish to avoid.

Many thanks in advance for your continued support and cooperation.

Monday 8 July	School Games Day
Thursday 18 July	Whole School Trip - Belton Whole School Picnic & Stalls End of Term 6

Netball Match Report

On Friday the 10th of May, Caythorpe netball team played a league match against Chestnut Street. In the first quarter we were amazing and won 5:2 with goals scored by Marith (3) and Ollie (2). Liam and Sophie defended with strength. Hannah L played centre ensuring our attackers were in goal scoring positions. After a rotation of positions we played the second quarter, an end to end game with no goals scored for either team. Excellent play from Edie and Anastasia in this quarter. In the third quarter Liam scored 3 goals with no goals conceded by our defenders Anastasia and Hannah. Finally we played the last part of the match, which ended 0.0. which means overall we won 8:2. It was so much fun.

By Hannah L and Sophie B

FAMILY FUN DAY

SUNDAY 26TH MAY

CAYTHORPE & FRIESTON
