Sports Day

We had a thrilling start to the week when the bad weather held off to allow us to enjoy Sports Day. With every pupil at the school taking part alongside their peers, Team Asia were overall winners after an engaging morning of activities.

In a carousel format, split into running, throwing and racing activities, the pupils were split into five teams - Europe, Oceania, Americas, Asia and Africa. The throwing disciplines included javelin and overhead throws with Europe ascertaining the most points in those areas. Oceania were particularly impressive with long jump, triple jump and speed bounce whilst Asia took the most points in the races. These included ball and spoon and beanbag shuttle for EYFS and Key Stage 1 children, whilst Key Stage 2 pupils took part in the sack races and hurdles. Younger children from pre-school also enjoyed a series of races and visibly had a great time.

The morning kept all of the pupils active throughout and they finished with a whole school relay race that was won by Americas. Children and parents alike cheered on their older and younger peers in an exciting end to the morning.

One pupil explained: "I love Sports Day and we do so many different activities. The relay was great fun and I really enjoyed running in the same team as my brother."

Summer Term School Events

School Games Day

Mrs Hunt and Ricky are organising a **School Games Day** on **Monday 8th July**. This will include a wide variety of sporting activities.

We would like to ask all children to come to school dressed in sporty clothes for School Games Day but instead of bringing £1 we would like them to bring a donation for our tombola stall on the last day of term.

Whole School Trip

We are planning a **whole school trip to Belton on Thursday 18th July** - more details to follow.

Whole School Picnic

We would like to invite all parents to come into school on **Friday 19th July**, the last day of term, at **12:30pm** to **share a picnic** with their children on the school field. Following the picnic, each class will be running a stall which will include things like 'guess the number of sweets in the jar', 'tombola', 'treasure hunt' etc.

FSA Summer Fun Day

Many thanks to our amazing FSA for organising such a great Summer Fun Day for everyone to enjoy. With a wide range of games, activities and refreshments there was something for everyone to enjoy and they raised a fantastic £530 which will be used to help fund the cost of school trips and new equipment. Many thanks to everyone who supported the day.

Donations

- If you have any empty jam jars with lids please could you bring them into school for Narnia.
- If you have any good condition dressing up clothes that you no longer need the children would love some new ones for outdoor play.
