Thank you very much to Mr Palmer for building an amazing mud kitchen for the children to play with in the sensory garden. The children are thoroughly enjoying making mud pies and leaf soup!

Macmillan Coffee Morning

9am - 11am in the School Hall

Tea/Coffee/Hot Chocolate/Cakes/Cookies

If you feel like baking or buying some cakes or cookies to donate to this extremely worthwhile event then please bring them into the school office on Friday morning.

We look forward to seeing you there!

All new topics have started with a BIG BANG this week!

Fruit Tasting

Enchanted forest and Neverland enjoyed tasting lots of different fruits for their BIG BANG to start their new topic about keeping healthy. After trying each fruit, the children decided whether they liked or disliked it. At the end of the tasting, they decided which fruit was their favourite.

Greek Day

Narnia enjoyed a Greek Day and many of the children got into the spirit by dressing up as the Ancient Greeks did. Children took part in many activities to give them a taster of the aspects of life of the Ancient Greeks. They took part in role-play re-enacting freeze frames from the story of Medusa as well as writing using Ancient Greek symbols. In maths the year 3's looked at Ancient Greek numerals while the Year 4's explored making labyrinths for the Minotaur! We also learnt a dance, the Hasapiko, which is a traditional Greek line dance. In the afternoon we designed some Greek pots which we hope to finish soon. It was lovely to welcome parents into the classroom. The children especially enjoyed teaching them how to write using the Greek alphabet.

Why is Brazil always in the news?

As part of our topic on Brazil, the children of Hogwarts have been exploring why Brazil is in the news. To begin this topic, we have organised a whole class debate on the topic of deforestation. The children will be delivering their arguments from a variety of viewpoints both for and against deforestation. To do this the children have been broken up into five groups to debate on behalf of. These are: Greenpeace, a meat processing factory, government politicians, indigenous tribes and doctors. The results of the debate will be posted this afternoon on the class twitter account.

Breakfast Club

Mrs Russell runs an extremely friendly and welcoming Breakfast Club every morning before school from 7:50am until the start of the school day. The cost of our **Breakfast Club** is **£3.50 per session**. It is important that you book into Breakfast at least 24 hours before the day so that we can ensure that we have the correct number of staff in place. **Please ensure that you do not leave children prior to 7:50am** as we cannot guarantee that an adult will be available to supervise them.

Bag 2 School

Bag 2 School is a company that specialises in good quality second hand clothing that can be reused. We have arranged a collection from Caythorpe School on **Thursday 26th September 2019 at 9.00am** so please start collecting any unwanted clothing, shoes, hats, belts, handbags, ties, soft toys, towels, curtains and bedding. All bags are weighed on collection and the school is paid by the total weight collected. If you need more bags let us know but any bags are fine and the more the better! Take the opportunity to have a good clear out!

Lincs FM Little School

Joseph Begley from Lincs FM visited Neverland this week to talk to them about what they want to be when they grow up. Go to Lincs FM website to catch their interview.

We are delighted to announce that Mrs Hunt has recently joined Caythorpe's Local Governing Body as a Staff Governor. **Staff governors** play a vital role on the governing body, holding the unique position of having a **staff** viewpoint of the school. **Governors** work as a team. They are responsible for making sure the **school** provides a good quality education for all pupils. The governing board's main **role** is to help raise pupils' standards of achievement.

Welcome to the Caythorpe team Mrs Hunt - We look forward to working with you in your role as Staff Governor.
