

CHILDREN ONLY CHRISTMAS ROOM

After last year's success, the FSA are planning to do another 'Children Only Room'.

On Thursday 1st December, during the school day, children will be able to choose a Christmas gift/gifts for their parents, carers, grand parents, aunts and uncles – basically any adults they wish to buy for.

The FSA will wrap the gift with the child so they have a surprise present that they have chosen all on their own. Each gift will cost £2.00.

Please fill in the form below, making sure you write who the present is for (as last year some of the children did not know!) and enclose a cheque or cash for the correct amount.

A few children were upset last year as they were unable to participate so if you would like your child to take part but have financial difficulties please see Mrs Madge in confidence.

Cheques should be made payable to Caythorpe school FSA and returned to the school office by Monday 14th November.
