Update

To ensure that all pupils receive the best possible education during their time at Caythorpe Primary School we constantly monitor all aspects of school life and make changes as and when required. Due to a number of midyear admissions to the school since September we have re-evaluated our KS2 class structures. As you know KS2 already separate into single year groups for Maths but due to an increase in pupil numbers we will be separating for both Maths and English after Christmas. Mrs Hunt (Y3/Y4) and Mr O'Mahoney (Y5/Y6) will continue to have overall responsibility for both year groups and will teach the full class in the afternoons. They will work closely with their partner teachers to ensure there is a smooth transition from the morning to the afternoon. We will let you know when our new teachers have been appointed.

Children in Need

The School Council organised a pyjama day, cake competition and cake sale to help raise money for Children in Need. Their hard work paid off as we raised a fantastic £196.15! Children in Need is a fantastic charity which aims to make a real difference to the lives of children all across the UK. They believe every child should have a childhood which is safe, happy and secure with opportunities to reach their potential. They provide grants to projects in the UK which focus on children and young people who are disadvantaged. Thanks to everyone who supported us.
