Christmas @ Caythorpe

We have had a thoroughly enjoyable build up to Christmas at Caythorpe this year. Many thanks to all parents and carers for supporting everything that we have organised for the children - we really could not have done it without you. The Christmas Performances were excellent and gave the children the opportunity to perform on stage in front of a fantastic audience. This is a great way to build confidence and showcase talent. Our whole school trip to watch Cinderella at the Guildhall was a real treat. Staff, children and parents got fully involved with the pantomime banter and the children's behaviour was impeccable. Farm Kitchen provided a delicious Christmas Lunch for children and staff who ordered it and we all enjoyed eating together. Christmas parties were a huge success. Everyone had fun dancing, playing games and eating yummy party food. The children were also delighted with a special visit from Father Christmas who kindly gave all children a gift and some reindeer food to sprinkle on Christmas Eve. A special thank you to the FSA for providing Santa's wonderful Grotto. We have also enjoyed some Christmas singing with Mr Cozens this year.

Bridge Refurbishment

Lincolnshire County Council have informed us that Hough Bridge on Frieston Road is due to be refurbished in the New Year which means that the public highway will be closed to traffic. Work commences on 20 January 2020 and is expected to take roughly 6 weeks.

Helipads for Hospitals

The Rotary Club of Grantham are on a mission to help all NHS hospitals to have an approved helicopter landing pad. Please collect your aluminium cans so that they can be crushed and recycled to form sections of a helipad. The local collection point will be The Waggon & Horses.
