## Child Protection and Safeguarding

Safeguarding is the action that is taken to promote the welfare of children and to protect them from harm. This involves protecting children from abuse and maltreatment, preventing harm to children's health or development and ensuring children grow up with the provision of safe and effective care.

The school Child Protection and Safeguarding Policy is available on the school website and if you or your child/ren have a worry or a concern, please talk to the School's Designated Safeguarding Leads, who are Miss Riches and Mrs Brockington.

## Mrs Day Needs Your Help!

Mrs Day is busy setting up her classroom and she needs your help with one of her displays. If you visit McDonalds, please could you save your red cardboard fries packets and bring them into school. I look forward to seeing her creation - I wonder what it will be!

## Swimming

We would just like to confirm the cost of swimming is £3.30 per session (£19.80 for the term) and not £3 as stated in last week's newsletter. Apologies for any confusion.
