## Keep In Touch

Whilst we cannot all be in school together during the Coronavirus Crisis, we are eager to keep in touch with all of our families as much as possible. It was lovely to catch up over the phone this week and hear how you are all adapting to working and learning from home. You are all doing an amazing job during this difficult time. Remember the main message is to stay safe and keep healthy.

If you want to share anything with us or you need anything at all please don't hesitate to contact us:

### Free School Meals

The Department for Education (DfE) has developed a centrally-funded national voucher scheme to support with providing Free School Meals. Families who are currently eligible for Free School Meals should receive supermarket vouchers during term time to use to support you in providing nutritious meals during the Coronavirus Crisis.

If your circumstances have changed due to the Coronavirus Crisis and you think that your child might be eligible for free school meals please visit the following website to apply:

If you have any questions or concerns about this please do not hesitate to email Mrs Brockington or Mrs Madge.

### National Online Safety

#### Top Tips for Parents:

- Take an interest in your child's online world. Talk to them about their favourite websites, videos, and their online friends.
- Talk regularly to your children about how to keep safe online and the importance of talking to you or another trusted adult if they are worried about anything
- Ensure that you set up parental controls for all devices at home. This will help to restrict the types of content that your child can view, as well as help you to monitor their activity.
- Make sure you talk to your child about how they shouldn't succumb to peer pressure.
- Decipher whether things are real or hoax as not everything you see online is true.
- Report any material that you deem to be inappropriate or harmful as soon as you come across it. You should also block the account/content to prevent your child from viewing it.
- Speak to the safeguarding lead within your child's school should you have any concerns regarding your child's online activity that could affect them.
- Children can contact ChildLine on 0800 1111 if they would like to talk to a trained counsellor about anything that is worrying them.

### Good to be Different Day

Every year we celebrate the fact that it is 'Good to be Different' @ Caythorpe Priamry School so we didn't want this year to be any different. I hope you all enjoyed dressing in bright colours and wearing your hair in a crazy style. Thank you for the unique photos you shared!
