Caythorpe Primary School to Skegness Beach

Last year some staff and children took on the challenge of walking the distance from Caythorpe Primay School to Buckingham Palace and enjoyed afternoon tea with the Queen, also known as Mrs Brockington, on arrival!

This year I would like to invite staff, pupils, parents and grandparents to join me on a virtual walk from Caythorpe Primary School to Skegness Beach in 10 days. The distance of this journey is 49.8 miles which equates to approximately 105,178 steps in total.

All you need to take part in this exciting challenge is a pedometer to count your steps, a water bottle to keep you hydrated on the journey and lots of energy. The challenge begins on **Monday 29th June** and ends on **Wednesday 8th July** This is something that we can all do apart but together so come on Caythorpe Primary School lets do it!

While We Can't Hug

Enjoy sharing the story 'While We Can't Hug' with your child/ren. It is a lovely book that shows us ways to be affectionate while social distancing. Hedgehog and Tortoise were the best of friends. They wanted to give each other a great, big hug, but they're not allowed to touch. They demonstrate lots of different ways to show someone you love them.

so that everyone would know they were friends . . .

School Uniform Orders

If you would like to order any school uniform for September, please complete and return the uniform order form by **Friday 28th June** so that we can ensure that it can be ordered and delivered before we break up for the summer holidays.

As and when we return to school after the summer holidays we will be returning in school uniform.

Caythorpe Pupils @ Home

Pupils working at home have had another great week. They have continued to develop a wide range of skills and enjoy a variety of activities through cooking, writing, making models, enjoying the outdoors, getting creative and even finding new ways to travel down the stairs!! Thank you so much for sharing all of your varied and amazing experiences with us. It is great to see what you have been getting up to.

Please keep sharing all the great activities you are doing at home and don't hesitate to contact us if you need anything at all:

Gardening

The keyworker children have been hard at work this week improving the look of the garden area and planting sunflower seeds. They have also painted some bird boxes to hang in the trees.

Rainbow Games

Unfortunately, due to the current COVID-19 crisis we are missing yet another prominent aspect in our school calendar, Sports Day. This year we have therefore decided to hold a **Virtual Home and School Sports Day** on what would have been our annual Sports Day on **Thursday 25th June** in the format of "The Rainbow Games." The Rainbow games are built on the core values that underpin the importance of how we approach each challenge in the games and in our everyday life. These values also reflect our usual School Games Values of **determination, self-belief, honesty, respect, team-work and passion.**

Children can participate in one challenge per day. Each of the activities are differentiated and can be played at home or at school. Other household members are also encouraged to join in and play.

Many of the items you can find around your home and many of the activities use the same items.

What you will need;

Twister - 10 items e.g. rolled socks or cones, a timer

Star Challenge - 6 markers, a timer

Jump my height - a marker, a start line

Mighty Memory - 15 random items e.g. spoon, small toy, an apple, a phone...

Flying Hight - 10 items, 2 pillows or base stations (clouds), a start line and a timer

Pot of Gold - 1 pair of rolled up socks or small ball, 1 dressing gown tie or hoop, 1 x pillow

Run the Rainbow - 7 items (1 for each colour of the rainbow) 1 start marker, a timer

Details of how to complete each challenge and the score sheet have been sent out via email. Completed score sheets can be sent to Mrs Hunt, via a scanned or a photo of the score sheet to helen.hunt@caythorpe-cit.co.uk or drop off in the lobby at school. Please make sure your child's name and team name is included on the sheet. Certificates will follow. Please send photos of children completing the challenges to katie.brockington@caythorpe-cit.co.uk

Come on Caythorpe, this is something that we can do apart but together.
