

- Please draw your picture within the red circle
- Please don't draw anything outside of the red circle (or it won't show on the badge)
- Some fun ideas and helpful hints from our badge fairies are on the last page

NAME: _____

AGE: _____

*** PLEASE ASK AN ADULT TO HELP YOU WITH THIS BIT ***

Enter via our WEBSITE (our preference and perfect for single entries):

- Please ask your grown up to scan or take a photo of your badge design (page 1) and upload it to <https://pinyourthanks.org/pages/kids-comp-info-page>
- Ask them to fill out all your details on the website upload page, where shown

Enter via EMAIL (you might prefer this if sending lots of children's entries at once):

- Ask a grown-up to help fill out your details in spaces below on this page, including a short explanation of what inspired your picture (under 200 words)
- Your grown-up then needs to take a photo of your entry (pages 1 & 2) on their smartphone and save both photos, using your name in the photo file title (really important if they are sending us lots of entries on one email)
- Your grown-up must then send the email to competitions@pinyourthanks.org
- If a teacher is emailing the entries, they need to tell us the school details in the email

CHILD'S NAME: _____ CHILD'S AGE: _____

PARENT/GUARDIAN OR TEACHER PHONE NUMBER: _____

PARENT/GUARDIAN OR TEACHER EMAIL: _____

INSPIRATION FOR BADGE DESIGN:

- Our badges are all designed to say a massive thank you to someone special, so we would LOVE your picture to be about that. You can draw whatever you like but here are some ideas:
 - a. If someone walked your dog when your family was isolating you could draw us a cute dog
 - b. If they made you laugh when you felt a bit sad then you could draw us a smiley face
 - c. or if you know they love flowers, you could draw us a beautiful bunch of flowers or one of their favourite flowers
- We love a pretty rainbow as much as anyone, but as we have some rainbows in our other badges already, we would love you to draw something else for us
- To make it easy for us to bring your brilliant design to life, please draw your picture within the red circular 'frame' in the template on page 1
- The crescent area with text on the left is for our special message 'Heartfelt Thanks'. All our beautiful badges have the same words in that area; we think it's a lovely message and want yours to have the same. Don't worry, you don't need to write this.
- Remember that the badge will be quite small (about the size of a 10p) so it's best to keep your design simple and use easy shapes
- Please use your three favourite colours for the design. Keeping it to three means we can keep badge production costs down and donate as much money as possible to the amazing charities
- If you're the lucky winner, our clever badge fairies will make your picture into a real badge but they might need to make some teeny changes to make sure the badge machine can make it but don't worry, we won't make any really big changes
- We would also LOVE to know a little bit about what inspired your amazing design - so please tell us the story behind your picture (in no more than 200 words) in the space shown. You can get a grownup to help you write it if you need to
- Please ask your grown-up to read our T&Cs on our webpage for more information - we know they are a bit boring but they can be really useful
- Below is an example of how a badge design might look.
